Greetings to Athletes, Families, Alumni, and Supporters!

On behalf of the Florida School for the Deaf and the Blind Board of Trustees, I extend to you all a warm welcome to the 32nd Annual Girls Mason-Dixon Volleyball Tournament. The number of fans who travel from throughout the southeast region to the host school each year continues to be as strong as ever. Student-athletes who come together each year create cherished memories, develop lifelong friendships, and take personal pride in their athletic accomplishments.

We extend our best wishes all participating schools, student-athletes, coaching personnel, families, alumni, and supporters for a most exciting and memorable tournament. Again, welcome to FSDB and historic St. Augustine!

© 2019 Sorenson Communications, LLC. If you choose Sorenson as your default provider, you can port your existing 10-digit number to Sorenson from another provider or Sorenson can provide you with one for the geographic area where you live or work. If you later change your default provider, you can port your number to that provider. When selecting Sorenson, you must provide to Sorenson the physical address (i.e., the Registered Location) from which you are placing the call, so that Sorenson can properly route any 911 calls you may make. If you move or change your location, you must notify Sorenson immediately. You can update your Registered Location from your Sorenson videophone by calling 800-659-4810 or by visiting [www.svrs.com/moving](https://www.svrs.com/moving). Sorenson will confirm receipt of your Registered Location information. Emergency calls made via internet-based TRS may not function the same as traditional E911 service. For example, you may not be able to dial 911 if there is an internet-service failure or if you lose electrical power, and your 911 call may not be routed correctly if you have not updated your Registered Location. For more information on the process of obtaining 10-digit numbers and the limitations and risks associated with using Sorenson's VRS to place a 911 call, please visit Sorenson's website: [www.sorenson.com/disclaimer](https://www.sorenson.com/disclaimer). For more information on toll-free numbering, please visit [www.svrs.com/tollfree](https://www.svrs.com/tollfree).
